The **2024 Canadian Law and Society Association Annual Meeting** will be held in person from **June 15-17, 2024** in Downtown Montréal (Tiohtiá:ke), ideally at McGill Faculty of Law and in conjunction with the [2024 Congress of the Humanities and Social Sciences \(Congress\)](#), as originally intended. We are monitoring the situation closely on McGill Campus, notably the current strike at the Faculty of Law and the McGill Administration reactions to the ongoing encampment. As previously announced, under no circumstances can we cross a picket line. We secured alternative venues nearby McGill Faculty of Law and we will be able to continue with the current schedule even if not at McGill.

Let us know if you are interested in chairing a specific panel of your interest. We have some volunteers, but we are still looking for some chairs and it is always better to prioritize those already willing to attend a panel.

This **Short Program** reflects room allocations at McGill, but minor time and room adjustments may occur in the coming weeks. We will post updates at www.acds-clsa.com.
